

# WELCOME TO TAIPEI TOKYO 南北和

---

North and South together. That is what the Chinese characters in our name say, and that is what our menu brings to you -- cuisine from all parts of East Asia, together under one roof.

Our story goes something like this...we started out in 1993 with Taipei Tokyo Café in Rockville, offering our trademark fast-paced, no fuss, no frills, fend for yourself dining experience. It was modeled after the typical little noodle shop or sushi stand that can be found on the streets of Taipei and Tokyo. Sushi was still considered exotic in this area back then and was only attainable at traditional Japanese establishments. Very few restaurants offered traditional Chinese noodle dishes. Our vision was to open the door to those adventurous diners who love Chinese food and who are open to trying something new like sushi. It was such a hit that we expanded in 2003 and opened Taipei Tokyo at Fallsgrove.

Here, we offer culinary creations from different regions of China and Japan, as well as dishes from Thailand, Korea, Singapore, and Vietnam. Our menu allows you to indulge in and explore the abundant herbs, spices, and ingredients from these lands.

Taipei Tokyo is a full-service restaurant, complete with a full bar and wine menu to complement your dining experience. Your server can offer recommendations on the pairings of your food and wine selections and provide information on unfamiliar dishes. We hope that you will enjoy your "old favorites" and perhaps discover new ones as well.

Thank you (XIE - XIE) for dining at Taipei Tokyo.
