# Welcome to Taipei Tokyo

Our story goes something like this. We started out in 1993 with Taipei Tokyo (Metro Pike Center). It was modeled after the typical little noodle shop or sushi stand that can be found on the streets of Taipei and Tokyo. Our vision was to open the door to those adventurous diners who love Chinese food and who are open to trying something new like sushi. It was such a hit that we expanded in 2003 and opened Taipei Tokyo at Fallsgrove. Our menu allows you to indulge in and explore the abundant herbs, spices, and ingredients from these lands. We hope that you will enjoy your old favorites and perhaps discover new ones as well.

Thank you for dining at Taipei Tokyo!
